

List of Authors and Books Not Recommended by Christian Research Service

Revised and Updated April 27, 2010

To the Reader: The following MASTER LIST consists of authors and books found advertised and promoted within online Christian bookstores worldwide. Certain books may be ordered online from walk-in Christian bookstore databases. Although special care has been taken to provide current and accurate information, the reader is encouraged to check and verify the names prior to their removal.

Although positive changes have taken place within the online and walk-in Christian bookstores, it is important that website managers and employees continuously monitor their websites and databases to ensure that solid, Bible-based materials are being presented to the body of Christ. As long as a bookstore claims to be Christian, it should be Christian through and through. Indeed, the spiritual welfare of Christians and those searching for the real Jesus should be foremost in the minds of everyone involved within the Christian book industry.

This MASTER LIST will be updated regularly, and will be of great use to bookstore affiliates, customers, distributors, employees, managers, owners, publishers and vendors of both online and walk-in Christian bookstores.

Additional articles and information concerning the Christian bookstore industry is at <http://www.christianresearchservice.com/ChristianBookstoreshtm>

Permission to Reprint: Christian Research Service makes this MASTER LIST available free-of-charge to the body of Christ and Christian bookstore industry employees. Permission to reprint is granted provided it is reproduced in its entirety, without additions or changes, and for non-profit/not-for-sale use. Making hard copies for personal use or distribution is encouraged.

Acknowledgments: The MASTER LIST has been made possible through the valuable assistance of Christians worldwide. Their love for the Lord, the truth of His word, and concern for the spiritual welfare of their fellow Christians are first and foremost in their lives. Indeed, their courage is remarkable.

Your comments and questions are welcomed. Until then, may the Lord bless you in your efforts to test all things, defend the faith, guard the flock, and expose the unfruitful works of darkness (1 *Thessalonians* 5:21; *Jude* 3; *Acts* 20:27-32; *Ephesians* 5:11).

Sincerely in Christ,

Bud Press, Director

I wrote to you in my epistle not to keep company with sexually immoral people. Yet I certainly did not mean with the sexually immoral people of this world, or with the covetous, or extortioners, or idolaters, since then you would need to go out of the world. But now I have written to you not to keep company with anyone named a brother, who is sexually immoral, or covetous, or an idolater, or a reviler, or a drunkard, or an extortioner—not even to eat with such a person. For what have I to do with judging those also who are outside? Do you not judge those who are inside? But those who are outside God judges. Therefore “put away from yourselves the evil person” (1 Corinthians 5:9-13).
