

## ACCESSORIES AND COLLECTIBLES

**Chess Sets, Marble** - Both of these chess sets are used, rarely played, and are in excellent condition. Chess pieces are intricately hand-carved. They have been maintained with marble gel cleaner/polish. There are no chips in the boards or player pieces. Each set is exquisite when displayed on coffee, dining, foyer or game room tables. When entertaining, our guests have always commented on their beauty. Both of these sets retail from \$150-180.

This 16" board is colored in alternating squares of mostly black with swirls of grey and white, and the other squares are mostly white with swirls of grey. The board trim is 1 inch wide and colored in dark greens to lighter greens with a touch of white. One set of the marble player pieces is black with swirls of white and grey; the other set is mostly white with grey swirls - \$75

This 14" board is colored in alternating salmon/creme and black/grey/white squares with a half inch black border. One set of marble player pieces is black/grey/white; the other is salmon/creme colored - \$90

**Bookends, Marble** - This matching pair of hand-carved, polished marble abstract human figurines can be displayed on stands or used as bookends - \$20/pair

**Birdcage** - This contemporary, traditional or Asian style birdcage in a burgundy semi-gloss finish is stunning when placed above a fireplace or sofa, or in a foyer or dining room. It can also be displayed as a major focal point on a bedroom chest. Dimensions are 21"W X 26"H - \$15

This is an absolutely beautiful set of **Noritake Andorra Pattern #2182 contemporary fine china** made in Japan. The only pieces that have been used are a few of the cups and cup saucers. Exclusive of a tiny chip on one cup saucer, this entire 8-piece collection also includes a large serving platter, vegetable/fruit serving bowl, and an open creamer and sugar bowl with lid. The collection is in excellent condition (looks brand new), and has been boxed and kept in storage for over 30 years. Price for collection - \$300 firm.

**Plates** – Japanese collector plates are beautiful with intricately crafted brass stands. The swans and peacocks plates are crafted in gilded 24K gold and silver metal engravings by the ancient Art of Chokin. They were originally created to decorate the armament of the Samurai warriors. The plates measure 6” diameter and come with the stands – \$35 for all 4 pieces

**Silk Ficus Tree** - This 6 ft H X 4-5 ft D silk Ficus Tree comes in a brass planer. It is one of the more expensive silk plants, because it was made to look like a live tree. It has definitely fooled many guests. It has a triple, twisted trunk. It is a beautiful addition to a dining, living or bed room corner. Place a light behind it for a romantic effect - \$75
